

ATTENTION

# Tennessee Boaters

Youth Ages 12 to 21

## Get Your Tennessee Boating Safety Education Certificate Through A FREE Course Taught by USCG Auxiliary and TWRA Instructors

**T**he U.S. Coast Guard Auxiliary and TWRA instructors will present a 9-hour, youth-oriented boating safety class held at the Blount Memorial Wellness Center at Springbrook in Blount County (near the airport). This is a complete course designed to help youth ages 12 to 21 to learn safe boating skills and pass the 60 question multiple choice test required to receive your Tennessee Boating Safety Education Certificate

(similar to a driver's license and a requirement for anyone under 22 to operate a power boat in Tennessee). This special youth-oriented course focuses on regional boating safety and is being provided for free\* by sponsors of an Eagle Scout project working to improve boating safety in East Tennessee. Don't miss this unique opportunity to attend this course, which normally can cost as much as \$45 per student from the USCG Auxiliary.

**This course will be taught in two sessions:**

**Saturday, May 22, 2010**  
9 am until 4 pm (with a free lunch provided for registered attendees)

**Wednesday, May 26, 2010**  
6 pm until 9 pm (including the TWRA boating safety exam)

See backside for additional details ▶
